

# *Further information & support*

Your specialist and the other healthcare professionals involved in your treatment, including nurses and pharmacists, are your greatest source of support whilst using Nucala. The more you tell them, the more they are able to provide you with personalised help.

The following websites may be useful for finding additional information and resources about asthma, as well as support groups:

**Asthma & Respiratory Foundation NZ**  
[www.asthmafoundation.org.nz](http://www.asthmafoundation.org.nz)

**Asthma New Zealand Inc.**  
[www.asthma.org.nz](http://www.asthma.org.nz)
